## Superior Court of California, County of Merced

---

FOR IMMEDIATE RELEASE: March 17, 2020

### **Merced Superior Court Announces Its Plan to Mitigate the Spread of the COVID-19**

On March 12, 2020, Governor Gavin Newsom issued Executive Order N-25-20 in further response to the spread of the Novel Coronavirus 2019 (COVID-19). Among other things, this Order mandates compliance with state and local public health officials as pertains to measures to control the spread of COVID-19. Subsequently, the Merced County Public Health Department (Public Health) issued its Guidance for Mass Gatherings. The guidance recommends that all non-essential gatherings of more than 250 persons be cancelled or postponed.

On March 16, 2020, leadership of the Superior Court of Merced County (Court) met with representatives of Merced County's criminal justice community—including the District Attorney's Office, the Public Defender's Office, the Sheriff's Office, the Probation Department, the Public Defender's Office Conflict Counsel, and the Merced County Counsel—to discuss steps the Court and its partners could take to comply with the Governor's Executive Order and the guidance of Public Health while at the same time protecting the rights of everyone impacted by the Criminal and Juvenile Justice Systems.

In addition, the Court has attended briefings with Public Health to ensure that the measures being considered by the Court for implementation would comport with Public Health's guidance and its efforts to control the further spread of COVID-19.

In light of Governor Newsom's Executive Order, President Trump's March 13, 2020, National Emergency Declaration, and the March 13, 2020, Public Health Emergency declared by the Merced County Health Department and the City of Merced, the Court is taking specific preventative action.

Effective Tuesday, March 17, 2020, Merced County Superior Court will adjust its court operations as follows:

- All civil jury trials currently set between Tuesday, March 17, and Tuesday, April 28, 2020, will be continued on a rolling basis for 8 weeks from the currently scheduled trial date.

Any requests to address matters that require immediate attention, including requests to lift DMV driver’s license holds, may be mailed to the Court and will be addressed remotely where possible.

- The Court will extend its Self-Help telephone hours to 8:00 a.m. to 3:00 p.m., Monday through Friday, and will work to implement additional opportunities for the public to interact with Self-Help staff. Members of the public can reach the Self-Help office by emailing [selfhelp@mercedcourt.org](mailto:selfhelp@mercedcourt.org).

No-time-waiver criminal matters, restraining order hearings, emergency family law Requests for Order, and other case or calendar types and hearings not specifically listed above will continue to be heard as Court resources and health directives permit, but with the following modifications:

- Attorneys and litigants are strongly encouraged to file documents through [E-Filing](#) or by mail.
- Attorneys and litigants are strongly encouraged to make court appearances telephonically or through CourtCall in all case types. For telephonic appearances, please contact the clerk's office for the department that your hearing is scheduled in. For CourtCall, please call (888) 882-6878.
- Subject to judicial discretion, the Court will liberally grant hearing continuances upon request and will be reducing calendar sizes and stagger the calling of different calendar types to minimize health and safety concerns.
- The Court will only summon jurors to a courthouse for "essential" trials as required by law. In those circumstances, jury panel sizes will be reduced, and trial calls will be staggered to reduce group sizes.
- The Court will continue to grant COVID-19 related deferrals. Prospective jurors may make such requests on-line through [this link](#), by calling the Jury Office at 209-725-4121 [press Option #1], or by emailing [jury@merced.courts.ca.gov](mailto:jury@merced.courts.ca.gov).
- Trials currently underway will continue as scheduled. However, sworn jurors may be asked to take health-appropriate measures such as sitting outside the jury box to encourage appropriate social distancing.
- The Court asks that, when entering a courtroom or jury assembly room, members of the public should keep at least one vacant seat between themselves and the next unfamiliar person.
- The Court further asks that members of the public allow space while waiting in lines, and that they not crowd elevators or other confined spaces. Court visitors may be asked to wait in hallways or outside courtrooms and courthouses to minimize gathering sizes in closed areas. Please follow the accommodation, health, and safety directions of any Sheriff's Deputies, Court Attendants, or other Court Employees offering their assistance.
- As a reminder, those who are ill should stay home; the Court may ask members of the public who are exhibiting visible symptoms of illness such as coughing to leave.

The Court will continue to monitor this evolving situation and will make further operational adjustments as appropriate. Please check the Court's website for ongoing COVID-19 updates and additional juror and remote appearance information.

The Court supports and agrees with the statement issued by California's Chief Justice, Hon. Tani G. Cantil-Sakuye, on March 13, 2020: "Although the extent of the pandemic is unknown at this

time, California’s courts will continue to do what they do best: balancing public safety and health while protecting liberty and due process.” The Merced County Superior Court will strive to maintain our essential functions and Constitutional obligations while working to minimize COVID-19-related risks. We appreciate the understanding, patience, and support of the public and our Court partners during these challenging times.

The Court has implemented Standing Order #2020-04 regarding our plan to mitigate the spread of the COVID-19, which shall remain in effect until April 28, 2020, unless modified, canceled or extended by written order.
