The floor plan illustrates the layout of the 1st floor, featuring a central corridor (209) that provides access to various functional areas. On the left side, a large jury assembly room (201) is situated, along with a courtroom seating area (253). The central portion of the floor contains a series of holding cells (219-223) and restrooms. To the right, there are additional courtrooms and seating areas, as well as a large parking area. The plan also includes numerous support rooms, such as storage, equipment, and restrooms, and a large parking area on the right side of the building.
