### **Merced Superior Court Announces Launch of MyCitations: An Online Program to Request Reductions in Traffic Fees and Fines**

The Merced Superior Court is pleased to announce the launch of the new online MyCitations program.

MyCitations is an online tool that allows court users to look up citations online, answer a series of simple questions and submit a request to the court for a possible reduction in the amount owed based on their financial situation. Users can also request a payment plan, more time to pay, or community service. This new option saves both time and resources and allows the public to make requests without the need to appear in court.

The Merced Superior Court is the twenty-first court to implement the MyCitations program and all 58 California Superior Courts are scheduled to add this service by June 30, 2024.
