Provider Search is a Caredon Behavioral Health of California online directory that allows members, potential members, providers, and members of the public the ability to locate Caredon Behavioral Health of California network providers and facilities licensed to practice in California. The use of this provider directory does not provide authorization for benefits or services. Prior to beginning any care or program with a provider, you should contact Caredon Behavioral Health of California to obtain benefits and be notified of any requirements specific to your benefit plan, where applicable. If you are unable to locate a network provider through our directory, please call the number on the back of your health insurance card or call 800-228-1286 (TTY: 800-735-2929) to speak with a Caredon Behavioral Health of California representative for assistance in locating a network provider.

The provider directory is updated on the website at least weekly in an effort to maintain accurate and up to date information.

To report possible inaccurate, incomplete, or misleading directory information, you may send an email to prsfedback@carelon.com or through the "Report Corrections" link within each individual provider's file. You may also call the number on the back of your health insurance card or call 800-228-1286 (TTY: 800-735-2929) to speak with a Carelon Behavioral Health of California representative. For practitioners participating with CAQH, updates are required to be made via CAQH for information to be visible within Carelon Behavioral Health of California's Provider directory by authorizing release of their individual profile information to Carelon Behavioral Health, reviewing, and attesting to their information. Facilities and provider groups may change or update their information by visiting the provider portal or by calling the National Provider Services Line at 800-397-1630, Monday through Friday, 8 a.m.-8 p.m. ET, while members may call the toll-free number on their member identification card or call 800-228-1286 (TTY: 800-735-2929) to speak with a Carelon Behavioral Health of California representative.

If you believe you reasonably relied upon materially inaccurate, incomplete, or misleading directory information and wish to submit a complaint, you may call the number on the back of your health insurance card or call 800-228-1286 (TTY: 800-735-2929). A Carelon Behavioral Health of California representative will work with you to resolve the matter.

IMPORTANT: You can get an interpreter at no cost to talk to your doctor or health plan. To get an interpreter or to ask about written information in your language, please call the number on the back of your health insurance card or call 800-228-1286 (TTY: 800-735-2929) to speak with a Carelon Behavioral Health of California representative. Someone who speaks your language can help you. If you need more help, you are encouraged to contact the Department of Managed Health Care, which protects consumers, by telephone at its toll-free number 888-466-2219, or at a TDD number for the hearing and speech impaired at 877-688-9891, or online at <http://www.dmhca.ca.gov>.

Members are entitled to full and equal access to covered services, including members with disabilities as required under the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973.
